

The BC Services Card mobile app is used to access government services such as Health Gateway, BC Vaccine Card, MyHealth, and StudentAid. You will use your mobile BC Services Card to begin PRIME enrolment. PRIME uses your name, birthdate, and address from the card (and does not share it). This use is completely separate from your PHN or health information.

Click [here](#) for the steps to set up your mobile BC Services Card.

### **Not currently using PharmaNet?**

You will need

designated International Allied Health Professions Day.

Vancouver, BC V6B 5J3
